As used in this chapter, the terms "alcoholic beverages," "intoxicating liquors," "principal business," "legal drinking age," "premises," "sell," "sold," "sale," "restaurant," "club," "retailer," "person," "fermented malt beverages," "wholesalers," "retailers," "operators" and "nonintoxicating beverages" shall have the meanings given them by W.S.A. ch. 125.

### **§130-3. License required.**

No person, firm or corporation shall vend, sell, deal or traffic in or have in his possession with intent to vend, sell, deal or traffic in, or, for the purpose of evading any law or ordinance, give away any intoxicating liquor or fermented malt beverage in any quantity whatever, or cause the same to be done, without having procured a license as provided in this chapter, nor without complying with all the provisions of this chapter, and all statutes and regulations applicable thereto, except as provided by W.S.A. ss. 125.16, 125.27, 125.28 and 125.51.

### **§130-4. Classes of licenses.**

A. Retail "Class A" intoxicating liquor license. A retail "Class A" intoxicating liquor license, when issued by the Village Clerk-Treasurer under the authority of the Village Board, shall permit its holder to sell, deal and traffic in intoxicating liquors only in original packages or containers and to be consumed off the premises so licensed.

B. Retail "Class B" intoxicating liquor license. A retail "Class B" intoxicating liquor license, when issued by the Village Clerk-Treasurer under authority of the Village Board, shall permit its holder to sell, deal and traffic in intoxicating liquors to be consumed by the glass only on the premises so licensed and in the original package or container in multiples not to exceed four liters at any one time, to be consumed off the premises, except that wine may be sold in the original package or otherwise in any other quantity to be consumed off the premises.

A Class "A" retailer's fermented malt beverage license, when issued by the Village Clerk-Treasurer under the authority of the Village Board, shall entitle the holder thereof to possess, sell or offer for sale fermented malt beverages only for consumption away from the premises where sold and in the original packages, containers or bottles. Such license may be issued after July 1. The license shall expire on the following June 30.

D. Class "B" fermented malt beverage retailer's license.

(1) License. A Class "B" fermented malt beverage retailer's license, when issued by the Village Clerk-Treasurer under the authority of the Village Board, shall entitle the holder thereof to possess, sell or offer for sale fermented malt beverages, either to be consumed

upon the premises where sold or away from such premises. The holder may also sell beverages containing less than 11/2% of alcohol by volume without obtaining a special license to sell such beverages. Such license may be issued after July 1. The license shall expire on the following June 30.

(2) Application. Class "B" licenses may be issued to any person qualified under W.S.A. s. 125.04(5). A Class "B" license for a hotel, restaurant, club, society or lodge may be issued in the name of an officer, who shall be personally responsible for compliance with this chapter. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of fermented malt beverages from the stands while the fair is being held. Such license is valid for dates as approved by the Village Board.

(2) Application. Application for such license shall be signed by the President or corresponding officer of the society or association making such application and shall be filed with the Village Clerk-Treasurer, together with the appropriate license fee for each day for which the license is sought. Any person fronting for any group other than the one applied for shall, upon conviction thereof, be subject to a forfeiture of \$200 and will be ineligible to apply for a temporary Class "B" license for one year. The license shall specify the hours and dates of license validity. The application shall be filed a minimum of 15 days prior to the meeting of the Village Board at which the application will be considered for nine events of more than three consecutive days. No fee may be charged to a person who, at the same time, applies for a temporary Class "B" beer license under W.S.A. s. 125.26(6) for the same event. A license issued to a county or district fair licenses the entire fairgrounds where the fair is being

conducted and all persons engaging in retail sales of wine containing not more than 6% alcohol by volume from leased stands on the fairgrounds. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of wine containing not more than 6% alcohol by volume from the stands while the fair is being held.

(2) Application. Application for such license shall be signed by the President or corresponding officer of the society or association making such application and shall be filed with the Village Clerk-Treasurer, together with the appropriate license fee for each day for which the license is sought. Any person fronting for any group other than the one applied for shall, upon conviction thereof, be subject to a forfeiture of \$200 and will be ineligible to apply for a temporary "Class B" wine license for one year. The license shall specify the hours and dates of license validity. The application shall be filed a minimum of 15 days prior to the meeting of the Village Board at which the application will be considered for events of more than three consecutive days. (3) A "Class C" license may be issued to a person qualified under W.S.A. s. 125.04(5) for a restaurant in which the sale of alcohol beverages accounts for less than 50% of gross receipts and which does not have a barroom if the municipality's quota prohibits the municipality from issuing a "Class B" license to that person. A "Class C" license may not be issued to a foreign corporation or a person acting as agent for or in the employ of another.

(4) A "Class C" license shall particularly describe the premises for which it is issued.

F. "Class A" intoxicating liquor retailer's license. The annual fee for this license shall be \$500.

G. "Class B" intoxicating liquor retailer's license. The annual fee for this license shall be \$500. This license may be issued at any time for six months in any calendar year, for which 50% of the applicable license fee shall be paid, but such license shall not be renewable during the calendar year in which issued.

A. Residence requirements. A retail Class "A" or Class "B" fermented malt beverage or "Class A" or "Class B" intoxicating liquor license shall be granted only to persons who are citizens of the United States and who have been residents of the State of Wisconsin continuously for at least 90 days prior to the date of the application.

B. Applicant to have malt beverage license. No retail "Class B" intoxicating liquor license shall be issued to any person who does not have or to whom is not issued a Class "B" retailer's license to sell fermented malt beverages.

C. Right to premises. No applicant will be considered unless he has the right to possession of the premises described in the application for the license period, by lease or by deed.

D. Age of applicant. Licenses related to alcohol beverages shall only be granted to persons who have attained the legal drinking age.

E. Corporate restrictions.

(1) No license or permit may be issued to any corporation unless the corporation meets the qualifications under W.S.A. s. 125.04(5)(a)1 and 4 and (b), unless the agent of the corporation appointed under W.S.A. s. 125.04(6) and the officers and directors of the corporation meet the qualifications of W.S.A. s. 125.04(5)(a)1 and 3 and (b) and unless the agent of the corporation appointed under W.S.A. s. 125.04(6) meets the qualifications under W.S.A. s. 125.04(5)(a)2. The requirement that the corporation meet the qualifications under W.S.A. s. 125.04(5)(a)1 and (b) does not apply if the corporation has terminated its relationship with all of the individuals whose actions directly contributed to the conviction.

(2) Each corporate applicant shall file with its application for such license a statement by its officers showing the names and addresses of the persons who are stockholders, together with the amount of stock held by such person or persons. It shall be the duty of each corporate applicant and licensee to file with the Village Clerk-Treasurer a statement of transfers of stock within 48 hours after such transfer of stock.

(3) Any license issued to a corporation may be revoked in the manner and under the procedure established in W.S.A. s. 125.12 when more than 50% of the stock interest, legal or beneficial, in such corporation is held by any person or persons not eligible for a license under this chapter or under the state law.

F. Sales tax qualification. All applicants for retail licenses shall provide proof, as required by W.S.A. s. 77.61(11), that they are in good standing for sales tax purposes (i.e., hold a seller's permit) before they may be issued a license.

G. Connecting premises. Except in the case of hotels, no person may hold both a "Class A" license and either a "Class B" license or permit, a Class "B" license or permit or a "Class C" license for the same premises or for connecting premises. Except for hotels, if either type of license or permit is issued for the same or connecting premises already covered by the other type of license or permit, the license or permit last issued is void. If both licenses or permits are issued simultaneously, both are void.

H. Limitations on other business; Class "B" premises. No Class "B" license or permit may be granted for any premises where any other business is conducted in connection with the

premises, except that this restriction does not apply if the premises for which the Class "B" license or permit is issued is connected to premises where other business is conducted by a secondary doorway that serves as a safety exit and is not the primary entrance to the Class "B" premises. No other business may be conducted on premises operating under a Class "B" license or permit. These restrictions do not apply to any of the following:

- (1) A hotel.
- (2) A restaurant, whether or not it is a part of or located in any mercantile establishment.
- (3) A combination grocery store and tavern.
- (4) A combination sporting goods store and tavern in towns, villages and 4th class cities.
- (5) A combination novelty store and tavern.
- (6) A bowling alley or recreation premises.
- (7) A club, society or lodge that has been in existence for six months or more prior to the date of filing application for the Class "B" license or permit.

#### **§130-8. Investigation.**

The Village Clerk-Treasurer shall notify the Police Department, Fire Inspector and Building Inspector of each new application, and these officials shall inspect or cause to be inspected each application and the premises, together with such other investigation as shall be necessary to determine whether the applicant and the premises sought to be licensed comply with the regulations, ordinances and laws applicable thereto, including those governing sanitation in restaurants, and whether the applicant is a proper recipient of a license. These officials shall furnish to the Village Clerk-Treasurer, in writing, who shall forward to the Village Board, the information derived from such investigation, accompanied by a recommendation as to whether a license should be granted or refused. No license shall be renewed without a reinspection of the premises and report as originally required.

#### **§130-9. Approval of application.**

A. No license shall be granted for operation on any premises or with any equipment for which taxes, assessments, forfeitures or other financial claims of the village are delinquent and unpaid.

B. No license shall be issued unless the premises conform to the sanitary, safety and health requirements of the State Building Code and the regulations of the State Board of Health and local Board of Health applicable to restaurants. The premises must be properly lighted and ventilated, must be equipped with separate sanitary toilet and lavatory facilities equipped with running water for each sex and must conform to all ordinances of the village.

C. Consideration for the granting or denial of a license will be based on:

(1) The arrest and conviction record of the applicant, subject to the limitations imposed by W.S.A. ss. 111.321, 111.322 and 111.335.

(2) The financial responsibility of the applicant.

(3) The appropriateness of the location and the premises where the licensed business is to be conducted.

(4) Generally, the applicant's fitness for the trust to be reposed.

D. An application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned) or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two offenses which are substantially related to the licensed activity within the five years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Board, at its discretion, may, based upon an arrest or conviction record of two or more offenses which are substantially related to the licensed activity within the five years immediately preceding, act to suspend such license for a period of one year or more.

#### **§130-10. Granting of license.**

A. Opportunity shall be given by the governing body to any person to be heard for or against the granting of any license. Upon the approval of the applicant by the Village Board, the Village Clerk-Treasurer shall issue to the applicant a license, upon payment by the applicant of the license fee to the Village. The full license fee shall be charged for the whole or fraction of any year.

B. If the Village Board denies the license, the applicant shall be notified, in writing, by registered mail or personal service, of the reasons for the denial. The notice shall also inform the applicant of the opportunity to appear before the Village Board and to provide evidence as to why the denial should be reversed. In addition, the notice shall inform the applicant that the reconsideration of the application shall be held in closed session, pursuant to W.S.A. s. 19.85(1) (b), unless the applicant requests such reconsideration be held in open session and the Village Board consents to the request. Such written notice shall be mailed or served upon the applicant at least 10 days prior to the Village Board meeting at which the application is to be reconsidered.

#### **§130-11. Transfer and lapse of license.**

A. In accordance with the provisions of W.S.A. s. 125.04(12), a license shall be transferable from one premises to another if such transfer is first approved by the Village Board. An application for transfer shall be made on a form furnished by the Village Clerk-Treasurer. Proceedings for such transfer shall be had in the same form and manner as the original application. The fee for such transfer is \$10. Whenever a license is transferred, the Village Clerk-Treasurer shall forthwith notify the Wisconsin Department of Revenue of such transfer. In the event of the sale of a business or business premises of the licensee, the purchaser of such business or business premises must apply to the village for reissuance of said license, and the Village, as the licensing authority, shall in no way be bound to reissue said license to said subsequent purchaser.

B. Whenever the agent of a corporate holder of a license is for any reason replaced, the licensee shall give the Village Clerk-Treasurer written notice of said replacement, the reasons therefor and the new appointment. Until the next regular meeting or special meeting of the Village Board, the successor agent shall have the authority to perform the functions and be charged with the duties of the original agent. However, said license shall cease to be in effect upon receipt by the Village Clerk-Treasurer of notice of disapproval of the successor agent by the Wisconsin Department of Revenue or other peace officer of the municipality in which the license was issued. The corporation's license shall not be in force after receipt of such notice or after a regular or special meeting of the Village Board until the successor agent or another qualified agent is appointed and approved by the village.

#### **§130-12. Numbering of licenses.**

All licenses shall be numbered in the order in which they are issued and shall state clearly the specific premises for which granted, the date of issuance, the fee paid and the name of the licensee. The Village Clerk-Treasurer shall affix to the license his affidavit as provided by W.S.A. s. 125.04(4).

#### **§130-13. Posting licenses; defacement.**

A. Every person licensed in accordance with the provisions of this chapter shall immediately post such license and keep the same posted while in force in a conspicuous place in the room or place where said beverages are drawn or removed for service or sale.

B. It shall be unlawful for any person to post such license or to be permitted to post it upon premises other than those mentioned in the application or knowingly to deface or destroy such license.

#### **§130-14. Conditions of license.**

All retail Class "A," Class "B," "Class A," "Class B" and "Class C" licenses granted hereunder shall be granted subject to the following conditions, and all other conditions of this section, and subject to all other ordinances and regulations of the village applicable thereto:

E. Health and sanitation regulations. The rules and regulations of the State Board of Health governing sanitation in restaurants shall apply to all "Class B" liquor or "Class C" licenses issued under this chapter. No "Class B" or "Class C" license shall be issued unless the premises to be licensed conform to such rules and regulations.

A Temporary Class "B" Fermented Malt Beverage License or Temporary "Class B" Wine License authorizing the sale and consumption of beer and/or wine on village-owned property or privately owned property may be authorized by the Village Board, provided that the following requirements are met:

A. Compliance with eligibility standards. The organization shall meet the eligibility requirements of a bona fide club, association, lodge or society as set forth in W.S.A. s. 125.26(6) and shall fully comply with the requirements of this section and Chapter 70, Alcoholic Beverages, §70-1, Outside consumption. Members of an organization which is issued a temporary license and who are issued operator's licenses for the event shall attend a pre-event informational meeting to learn what rules and regulations apply and what the responsibilities of the bartenders and organization will be.

B. Posting of signs and licenses. All organizations issued a temporary license shall post in a conspicuous location at the main point of sale and at all remote points of sale a sufficient number of signs stating that no fermented malt beverage shall be served to any underage person without proper identification.

C. Fencing. If necessary due to the physical characteristics of the site, the Village Board may require that organizations install a double fence around the main point of sale to control ingress and egress and continually station a licensed operator, security guard or other competent person at the entrance for the purpose of checking age identification. Where possible, there shall be only one point of ingress and egress. When required, the double fence shall be a minimum of four feet high and a minimum of six feet between fences.

D. Underage persons prohibited. No underage persons as defined by the Wisconsin Statutes shall be allowed to assist in the sale of fermented malt beverages or wine at any point of sale, nor shall they be allowed to loiter or linger in the area of any point of sale.

E. Licensed operator's requirement. A licensed operator shall be stationed at all points of sales at all times.

F. Waiver. The Village Board may waive or modify the requirements of this section due to the physical characteristics of the licensed site.

G. Insurance. The applicant for a temporary fermented malt beverage or wine license may be required to indemnify, defend and hold the village and its employees and agents harmless against all claims, death of any person or any damage to property caused by or resulting from the activities for which the permit is granted. As evidence of the applicant's ability to perform the conditions of the license, the applicant may be required to furnish a Certificate of Comprehensive General Liability Insurance with the Village of Albany. The applicant may be required to furnish a performance bond prior to being granted the license.

### **§130-17. Revocation and suspension of licenses; nonrenewal.**

A. Procedure. Whenever the holder of any license under this chapter violates any portion of this chapter or Chapter 70, Alcoholic Beverages, proceedings for the revocation of such license may be instituted in the manner and under the procedure established by this section.

B. Abandonment of premises. Any licensee holding a license to sell alcohol beverages who abandons such business shall forfeit any right or preference he may have to the holding of or renewal of such license. Abandonment shall be sufficient grounds for revocation of any alcohol beverage license. The closing of the licensed premises for at least six months shall be prima facie evidence of the abandonment, unless extended by the Village Board. All persons issued a license to sell alcohol beverages in the village for which a quota exists limiting the number of such licenses that may be issued by the village shall cause such business described in such license to be operated on the premises described in such license for at least 150 days during the terms of such license, unless such license is issued for less than 180 days, in which event this subsection shall not apply.

C. License revocation or suspension. License revocation or suspension procedures shall be as prescribed by W.S.A. ch. 125.

**§130-18. Nonalcohol events for underage persons on licensed premises.**

The presence of underage persons on a licensed premises as provided under W.S.A. s. 125.07(3)(a)10 shall be subject to the following:

A. The licensee or agent of a corporate licensee shall notify the Police Department at least 48 hours in advance of the date of any event at which underage persons will be present on the licensed premises. Each such nonalcohol event notice shall specify the date(s) on which the event is to occur and the time(s) of commencement. All notices shall be filed with the Police Department during normal working hours (8:00 a.m. to 5:00 p.m., Monday through Friday) and shall be given on forms prescribed by the village. After a nonalcohol event notice has been given, the licensee may cancel an event(s) only by giving like notice to the village in accordance with the provisions of this subsection. Regardless of the date given, all notices shall expire and be deemed canceled no later than the date of expiration or revocation of the applicable retail Class "B" or "Class B" license.

B. During the period of any nonalcohol event, a notice card prescribed by the Police Department shall be posted at all public entrances to the licensed premises notifying the general public that no alcohol beverages may be consumed, sold or given away on or carried into the licensed premises during the event. Such notice cards shall be made available by the village to a requesting licensee.

C. Once a nonalcohol event has commenced, no alcohol beverages may be consumed, sold or given away on or carried into the licensed premises until the next day following the closing hours of the licensed premises.

D. During the period of any nonalcohol event, all alcohol beverages shall be stored in a locked portion of the licensed premises in a secure place out of the sight and physical reach of any patron present and shall be under the direct and immediate control and supervision of the licensee or a licensed bartender in the employ of the licensee. A. Operator's licenses; Class "A," Class "B" or "Class C" premises. Except as provided under W.S.A. ss. 125.32(3)(b) and 125.07(3)(a)10, no premises operated under a Class "A," Class "B" or "Class C" license or permit may be open for business unless there is upon the premises the licensee or permittee, the agent named in the license or permit if the licensee or permittee is a corporation or some person who has an operator's license and who is responsible for the acts of all persons serving any fermented malt beverages to customers. An operator's license issued in respect to a vessel under W.S.A. s. 125.27(2) is valid outside the municipality that issues it. For the purpose of this section, any person holding a manager's license under W.S.A. s. 125.18, or any member of the licensee's or permittee's immediate family who has attained the age of 18, shall be considered the holder of an operator's license. No person, including a member of the licensee's or permittee's immediate family, other than the licensee, permittee or agent, may serve fermented malt beverages in any place operated under a Class "A," Class "B" or "Class C" license or permit unless he or she has an operator's license or is at least 18

years of age and is under the immediate supervision of the licensee, permittee, agent or a person holding an operator's license who is on the premises at the time of the service.

B. Use by another prohibited.

(1) No person may allow another to use his or her Class "A" or Class "B" license or permit to sell alcohol beverages.

(2) The license or permit of a person who violates Subsection B(1) above shall be revoked.

State Law Reference: W.S.A. ss. 125.17 and 125.32.

### **§130-20. Procedure upon application.**

A. The Village Board may issue an operator's license, which license shall be granted only upon application, in writing, on forms to be obtained from the Village Clerk-Treasurer, only to persons 18 years of age or older. Operator's licenses shall be operative only within the limits of the village.

B. All applications are subject to an investigation by the Police Department and/or other appropriate authority to determine whether the applicant and/or premises to be licensed complies with all regulations, ordinances and laws applicable thereto. The investigating authority shall conduct an investigation of the applicant, including but not limited to requesting information from the state, surrounding municipalities and/or any community where the applicant has previously resided concerning the applicant's arrest and conviction record. Based upon such investigation, the investigating authority shall recommend, in writing, to the Village Board approval or denial of the application. If the investigating authority recommends denial, the investigating authority shall provide, in writing, the reasons for such recommendation.

### **§130-21. Duration.**

Licenses issued under the provisions of this chapter shall be valid for a period of one year and shall expire on the 30th day of June of each year.

### **§130-22. License fee; provisional license.**

A. Fee. The annual fee for an operator's license shall be \$10 for the term or part thereof. The fee for a provisional license shall be \$5.

B. Provisional license. The Village Clerk-Treasurer may issue provisional operator's licenses in accordance with W.S.A. s. 125.17(5). The provisional operator's license shall expire 60 days after its issuance or when an operator's license is issued to the holder, whichever is sooner. The Village Clerk-Treasurer may, upon receiving an application for a temporary provisional license, issue such a license without requiring the successful completion of the approved program as described herein. However, such temporary license shall be used only for the purpose of allowing such applicant the privilege of being licensed as a beverage operator pending his successful completion of the approved program, and the applicant shall also apply for a regular operator's license. A provisional license may not be issued to any person who has been denied an operator's license by the Village Board or who has had his operator's license revoked or

suspended within the preceding 12 months. The Village Clerk-Treasurer shall provide an appropriate application form to be completed in full by the applicant. The Village Clerk-Treasurer may revoke the provisional license issued if he discovers that the holder of the license made a false statement on the application.

### **§130-23. Issuance or denial of licenses.**

A. After the Village Board approves the granting of an operator's license, the Village Clerk-Treasurer shall issue the license. Such licenses shall be issued and numbered in the order they are granted and shall give the applicant's name and address and the date of the expiration of such license.

B. Denial of application.

(1) If the application is denied by the Village Board, the Village Clerk-Treasurer shall, in writing, inform the applicant of the denial, the reasons therefor, and of the opportunity to request a reconsideration of the application by the Village Board in a closed session. Such notice must be sent by registered mail to or served upon the applicant at least 10 days prior to the Board's reconsideration of the matter. At such reconsideration hearing, the applicant may present evidence and testimony as to why the license should be granted.

(2) If, upon reconsideration, the Board again denies the application, the Village Clerk-Treasurer shall notify the applicant, in writing, of the reasons therefor. An applicant who is denied any license upon reconsideration of the matter may apply to Circuit Court pursuant to W.S.A. s. 125.12(2)(d) for review.

C. Criteria for consideration.

(1) Consideration for the granting or denial of a license will be based on:

(a) The arrest and conviction record of the applicant, subject to the limitations imposed by W.S.A. ss. 111.321, 111.322 and 111.335.

(b) The financial responsibility of the applicant.

(c) The appropriateness of the location and the premises where the licensed business is to be conducted.

(d) Generally, the applicant's fitness for the trust to be reposed.

(2) If a licensee is convicted of an offense substantially related to the licensed activity, the Village Board may act to revoke or suspend the license.

D. An application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned) or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two offenses which are substantially related to the licensed activity within the five years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Village Board, at its discretion, may, based upon an arrest or conviction

record of two or more offenses which are substantially related to the licensed activity within the five years immediately preceding, act to suspend such license for a period of one year or more.

**§130-24. Training course.**

A. Except as provided in Subsection B below, the Village Board may not issue an operator's license unless the applicant has successfully completed a responsible beverage server training course at any location that is offered by a vocational, technical and adult education district and that conforms to curriculum guidelines specified by the Board of Vocational, Technical and Adult Education or a comparable training course that is approved by the Educational Approval Board or unless the applicant fulfills one of the following requirements:

- (1) The person is renewing an operator's license.
- (2) Within the past two years, the person held a Class "A," Class "B," "Class A," "Class B" or "Class C" license or permit or a manager's or operator's license.
- (3) Within the past two years, the person has completed such a training course.

B. The Village Board may issue a provisional operator's license to a person who is enrolled in a training course under Subsection A above and shall revoke that license if the applicant fails successfully to complete the course in which he or she enrolls.

C. The Village Board may not require that applicants for operators' licenses undergo training in addition to that under Subsection A, but may require applicants to purchase, at cost, materials that deal with relevant local subjects not covered in the course under Subsection A.

**§130-25. Display of license.**

Each license issued under the provisions of this chapter shall be posted on the premises whenever the operator dispenses beverages, or shall be in his possession, or he shall carry a license card.

**§130-26. Revocation of license.**

Violation of any of the terms or provisions of the state law or of this chapter relating to operator's licenses by any person holding such operator's license shall be cause for revocation of the license.

**ARTICLE III  
Enforcement**

**§130-27. Violations and penalties.**

A. Forfeitures for violations of W.S.A. ss. 125.07(1) through (5) and 125.09(2), adopted by reference in §130-1, shall conform to the forfeiture penalty permitted to be imposed for violations of the comparable state statute, including any variations or increases for subsequent offenses.

B. Any person who shall violate any provision of this chapter, except as otherwise provided in Subsection A herein or who shall conduct any activity or make any sale for which a license is required without a license shall be subject to a forfeiture as provided in Chapter 1, General Provisions, §1-19.

C. Nothing herein shall preclude or affect the power of the sentencing court to exercise additional authorities granted by the Wisconsin Statutes.
