Dear Swim Lesson Parents,

The Green County Family YMCA is excited to offer your children a fun and convenient way to stay physically active while teaching them the lifelong skill of swimming.

- The program runs six weeks – **Wednesday**, Sept 11<sup>th</sup>- Oct 16<sup>th</sup>.
- A school bus with a chaperone will pick the children up at the school at 3:15 and bring them to the YMCA.
- The Albany Community Center is offering a special for \$10 per child for six weeks to children who need a place to go from afterschool (early release 2:29) until the time they get on the bus for swim lessons. Proper forms will be needed to be filled out for each child. The forms and money (payable to Village of Albany) can be picked up and dropped off at the Village Hall.
- Swim Lessons run from 4:00-4:45pm.
- Supervisors will be present on the bus and in the locker rooms before and after lessons.
- After lessons, children will take a quick shower and return to the school by bus around 5:15pm.
- Cost of the program is \$30.00 for YMCA members, \$60.00 for non-members. There will be a \$5.00 transportation cost for each child. Please make any checks payable to Green County Family YMCA. **Registration is limited to the first 35 students.**
- Sign up for this program is at the Albany Village Hall from now through Sept 6<sup>th</sup>. **Everyone** please fill out the enclosed form (if your child is on Free and Reduced lunch and you need assistance with swim lessons fees, make sure to check "YES" on the form).
- The last day of lessons, parents are invited to join their children to see the progress they have made during their time at the YMCA.

As parents you need to give your child the chance to learn to **swim**. The most **important** reason is that **swimming** is the only sport which can save your child's life. Drowning is **still one** of the most common causes of accidental death in children, **so** being able to **swim** is an essential life-saving skill.

Sincerely yours,

Nicole Wenger
